The chololate bunnie is about to split and the orie o is lost. I think the middle split. Wish ya luck and may God bless you.
Duane

As the river goes from a small stream out to the ocean, we move from high school out in to the world. Although one of many, each drop in the everchanging stream has its own particular path to travel, just as each of us will follow his individual road after graduation.

Hippalong-
David

hey old man; its been a jolly good year. with many bloody good happenings. Hep, Hep; Cherio, we have to keep up all the bloody good work. Golly good to have have you as a bloody good friend during this bloody good yar. Lets keep up all the bloody good times. Right!; bloody good!

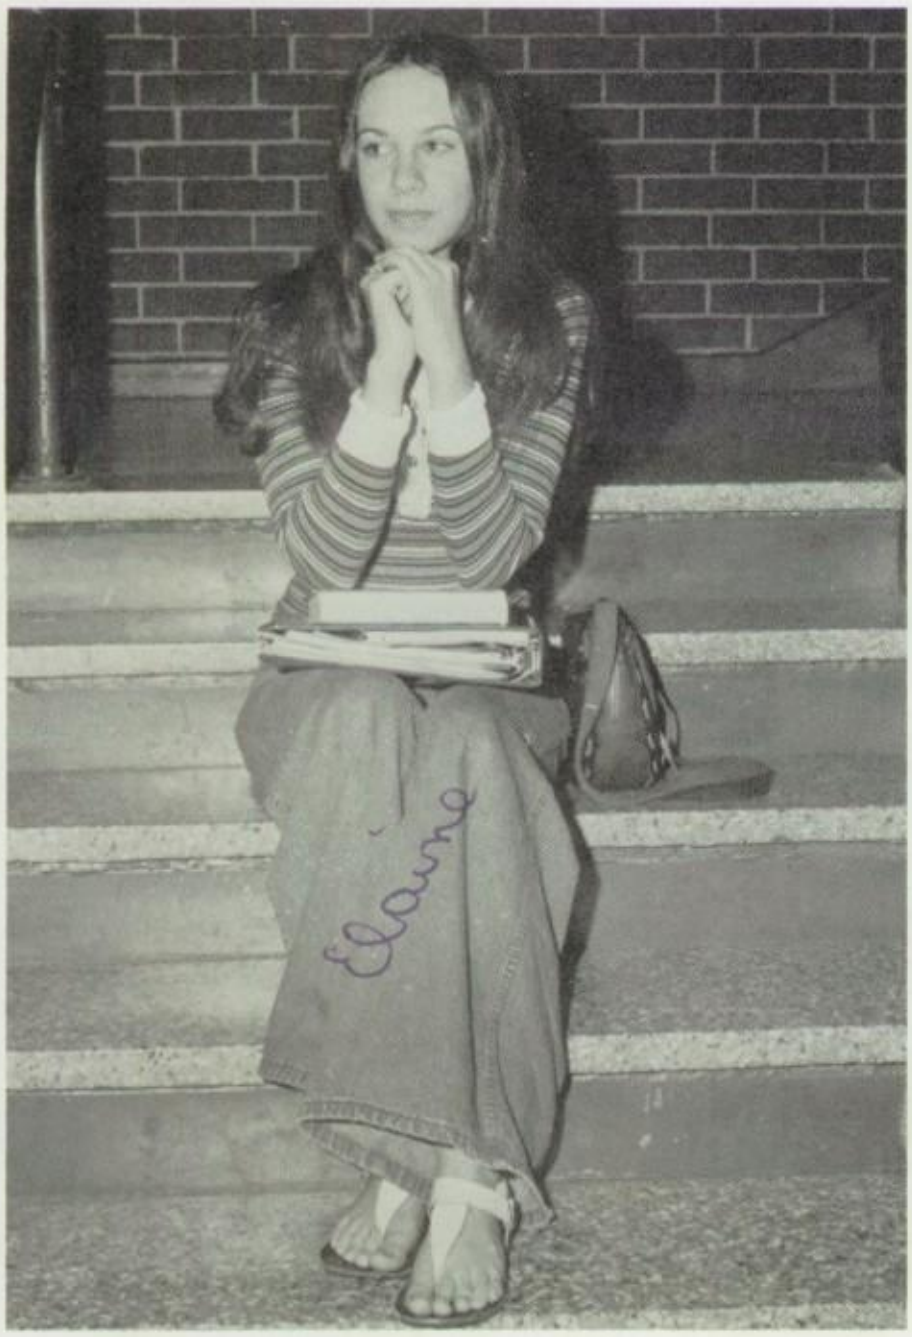
P.S. See ya this summer in the infirmary.

Once upon a time
we lived with hearts
that raced and minds
that dreamed and
clocks that had no
hour hands.



With common goals and common longings, we laughed, we loved, we played, we won. Those were our school days. They were real because we made them real. They were alive because we existed.

Love ya,
Joyce

New adults acquire rights

By SUSAN GRAHAM

The term "children" is just a "cliche" to 18 year olds now. All rights that once belonged to adults 21 and over, now belong to 18 year old adults.

Eighteen year old voters now have the legal ability to own property. In the past, banks and finance companies were reluctant to make loans to minors wanting to buy cars, because the minor could cancel contracts at any time. As a young adult, he is responsible for any payments due on the loan even if the car is demolished. If he stops payments, he can be sued in court for what he owes.

Students now have the ability to get credit cards [illegible] had [illegible]

buying and consuming liquor, marriage without parental consent, and serving on juries.

Eighteen year olds will be able to purchase shotguns and rifles. However, under the federal laws, students cannot buy handguns.

College students can expect lower fees if they are out-of-state students. This is beca[illegible] new adults can now estab[illegible] legal residence in the [illegible] the college is locate[illegible] does not apply to th[illegible] whose parents are [illegible] through school. C[illegible] longer requir[illegible] over to [illegible]

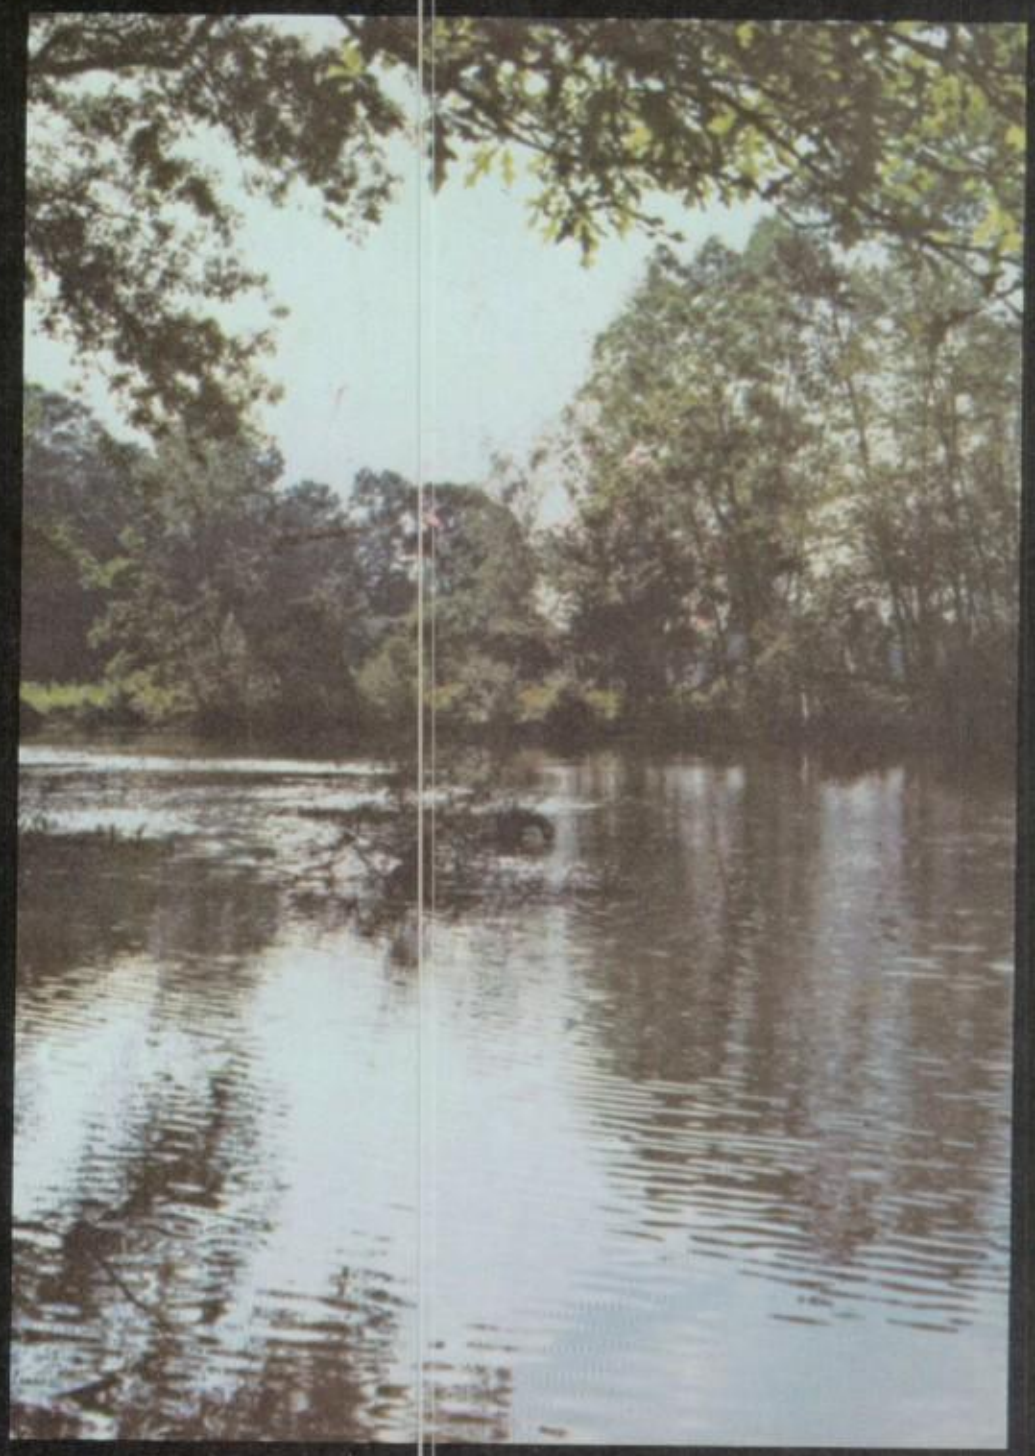
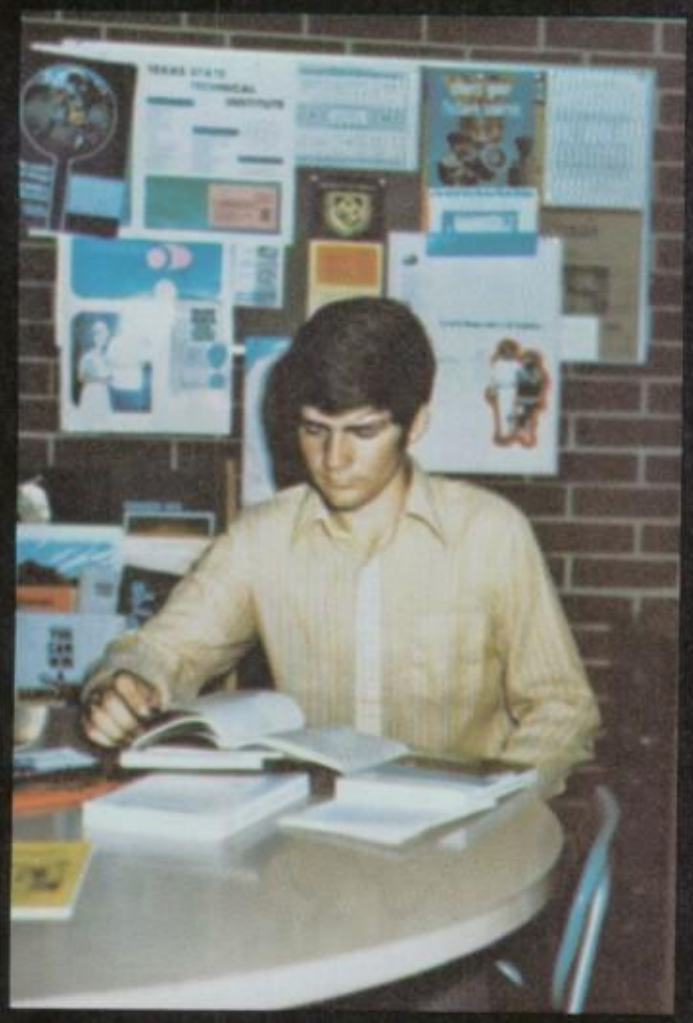
ship."

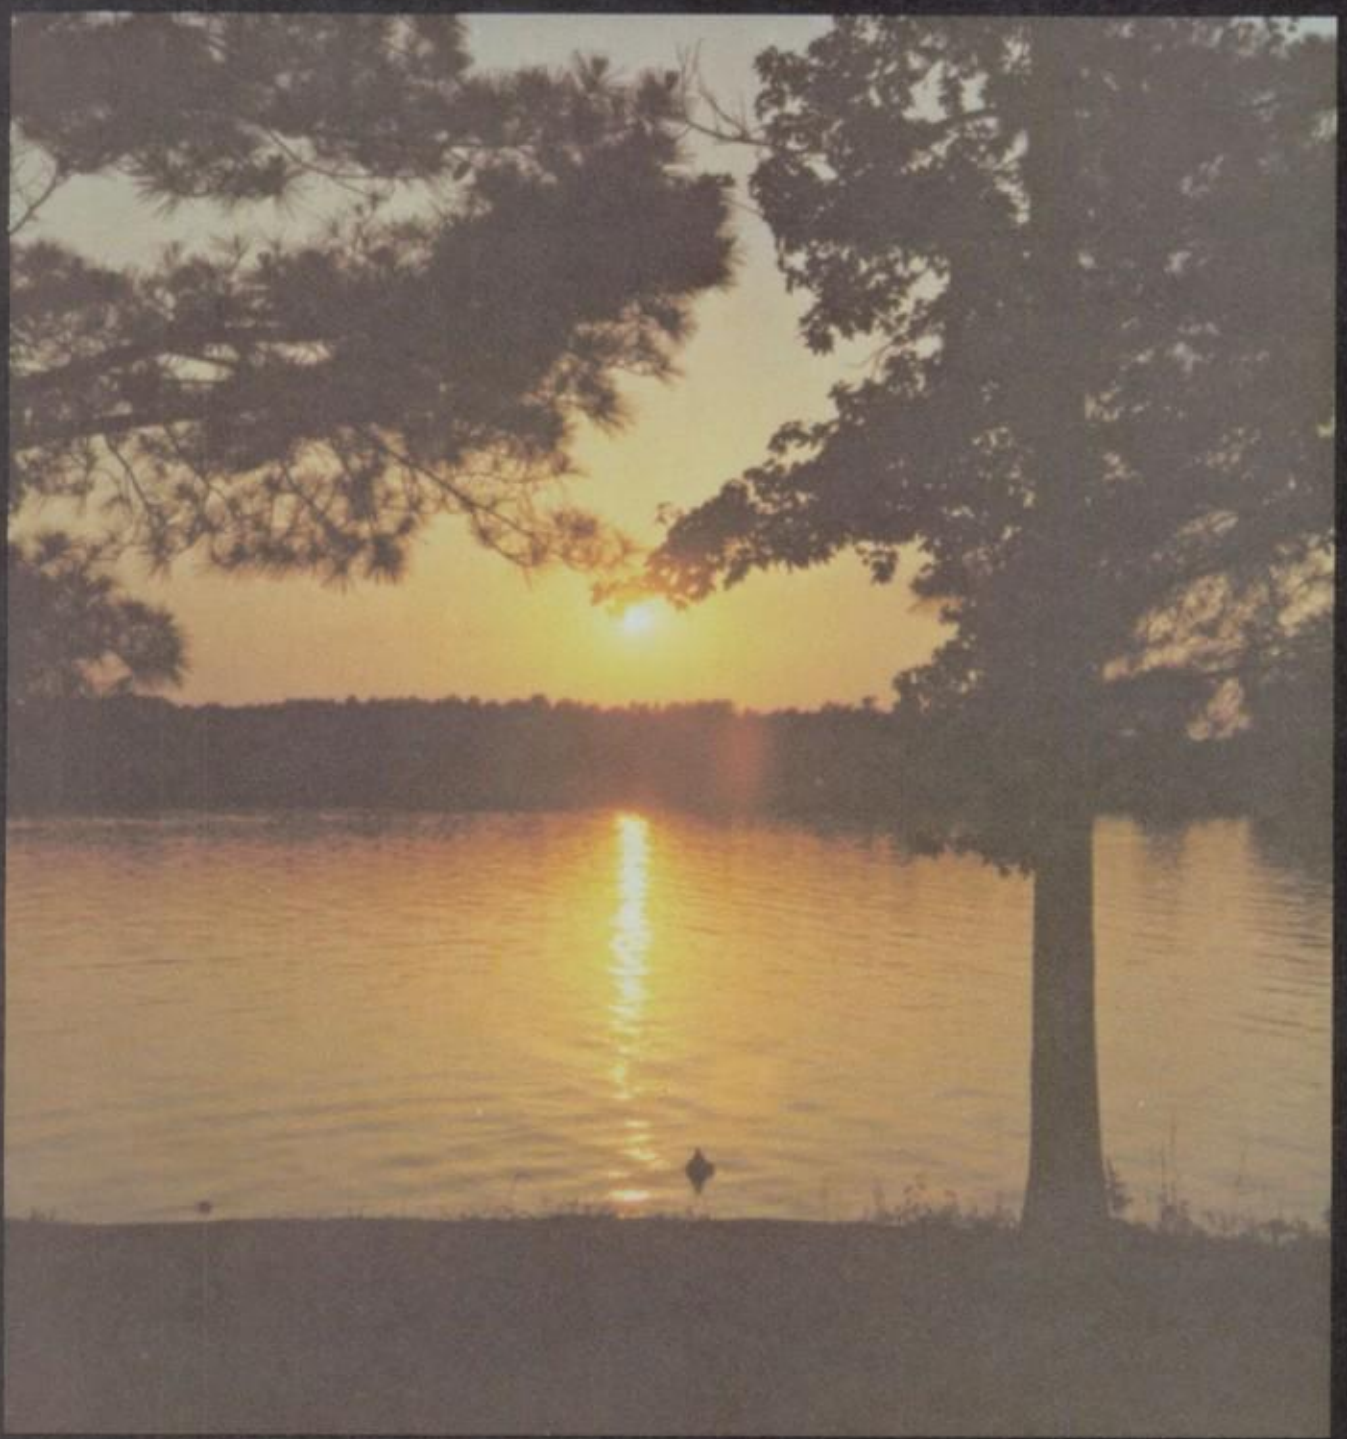
There still remains one puzzling question. What will happen to the generation gap? Will it be difficult for 15 year olds to trust their 18 year old elders?

And then, as suddenly as they had dawned, they faded into the days of adulthood. Each of us realized the importance of working to achieve his own goal in life.

The stream of life
flows on.
Choose your way
carefully.







For the path divides
into many ways
And only one goes to the place
that is calling you.

Hello and Good Morning

Pre-school hours provide a variety of sights even before the day is officially underway. The last-minute cramming before an eight-thirty exam, still trying to wake up in the cafeteria, that first bell in the hall, or just getting organized, all give an interesting feature to the school day.

Bells, Books, and a Busy Morning

The first three hours of each day involve a practical application in photography, business courses, some already thinking of lunch, and "May I have your attention for the morning devotional?"

Lunch Time Action

Lunch time is traditionally associated with eating, but it is also a time for socializing and recovering from those morning classes. Every Friday during the football season, pep rallies were even a part of the lunch hour. While as many brought their lunches as purchased school-prepared food, most took advantage of the cafeteria. It was a meeting place of friends.

More Bells and Different Books and an Afternoon Schedule

Lunch is over and everyone must resume the role of a student. Afternoon academics include the repeating of phrase after phrase for the foreign language student, constant erasing for the math student, and headaches for the faculty.

Car Jams, Workouts, and Nighttime Activities

The post-school hour begins with the rush of cars out of the parking lot. There are some who stay after school for one reason or another. But making signs and decorating the halls bring even more students back to campus at night. The nighttime hours involve football games, receptions, and even a school-spirited bonfire. For Pine Tree students there aren't enough hours in a day.

Homecoming
1973

Pine Tree's homecoming, the first district game, and the first victory of the season all took place on October 5. The pre-game festivities were highlighted by the crowning of the Sharon Higginbotham as the Homecoming Queen of 1973. Once again, the Pine Tree band proved to be excellent during the half-time entertainment. Having a patriotic theme, the majorettes' routine ended with the dimming of stadium lights and a shooting of fireworks in the background. The game resulted with the Pirates coming through with a 15 point lead over the Carthage Bulldogs. This was truly "another year of the Pirates."

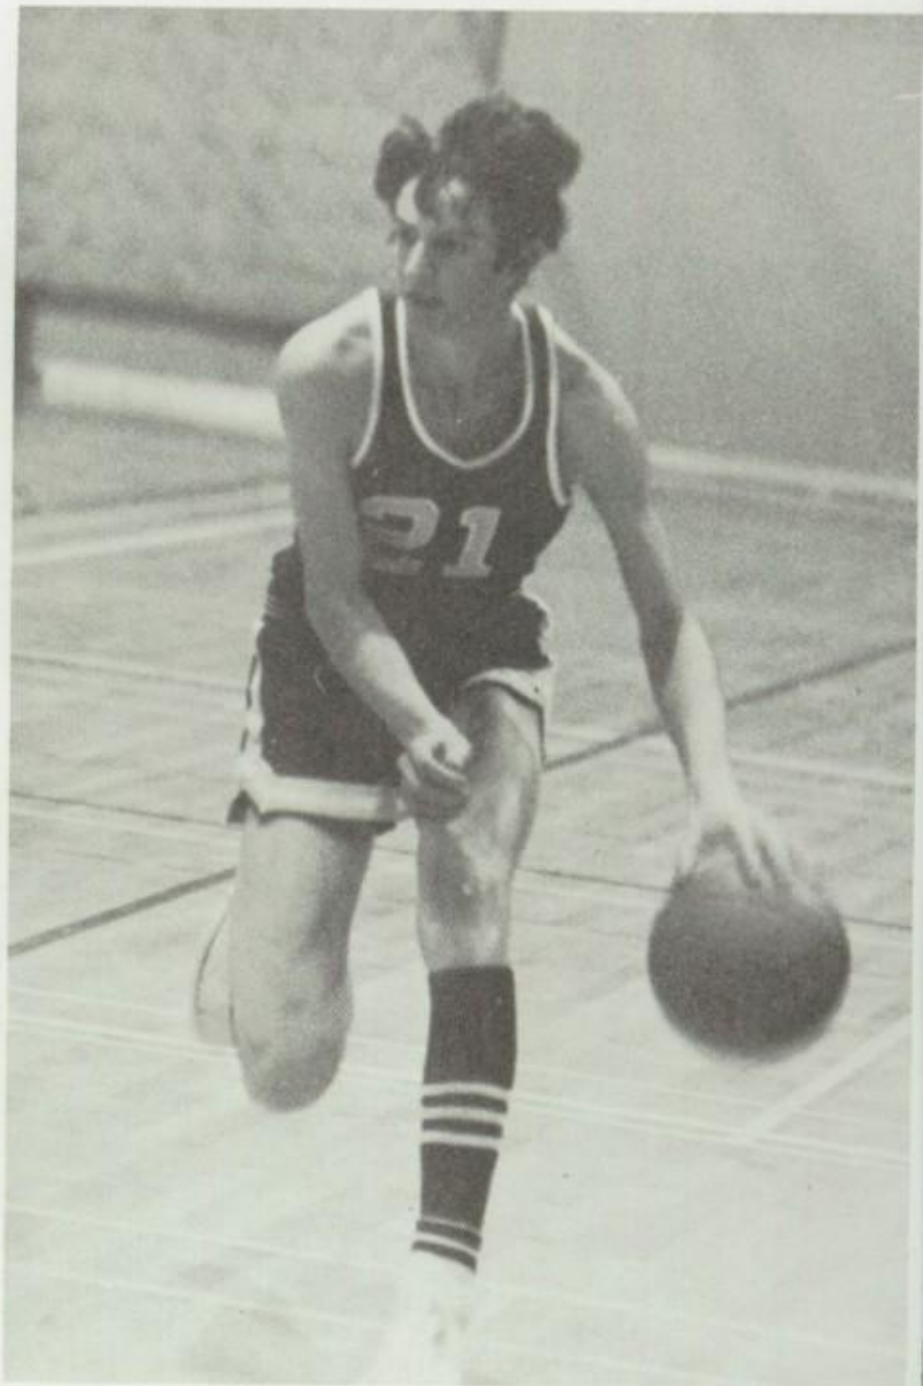
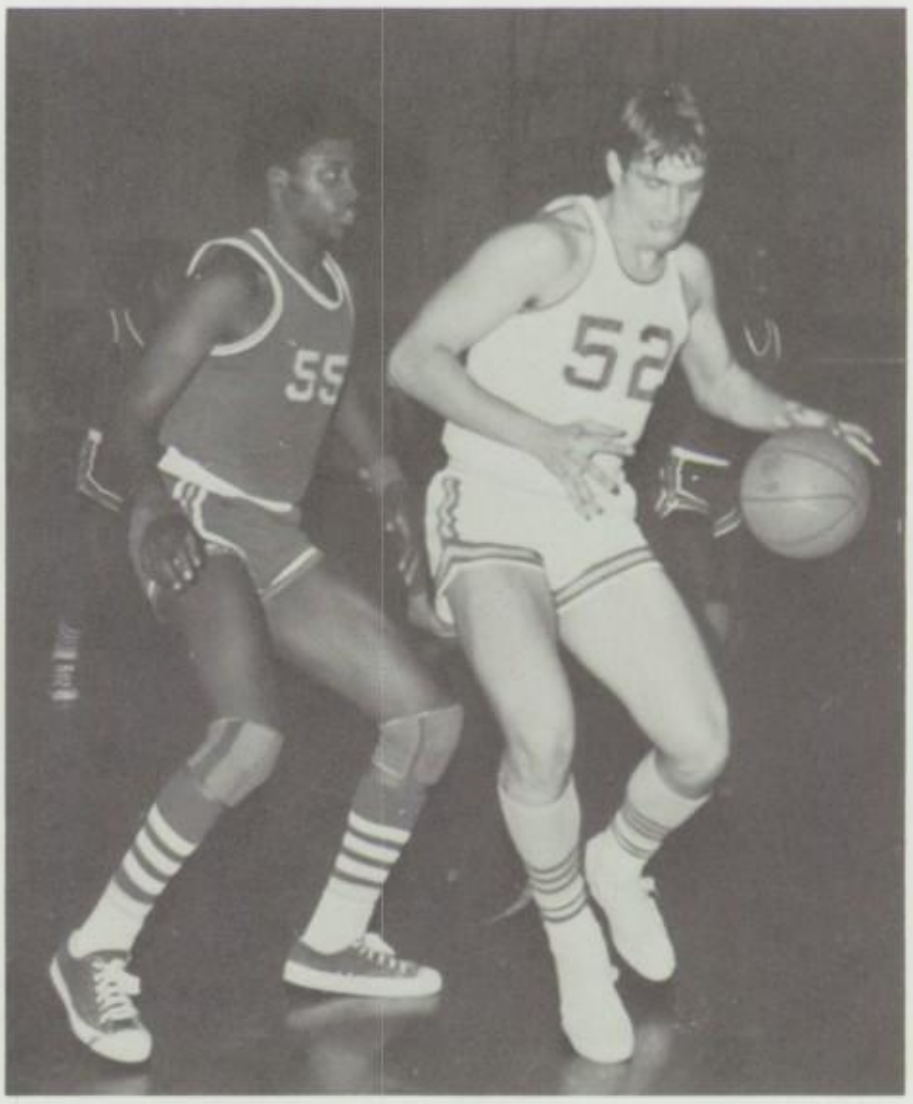
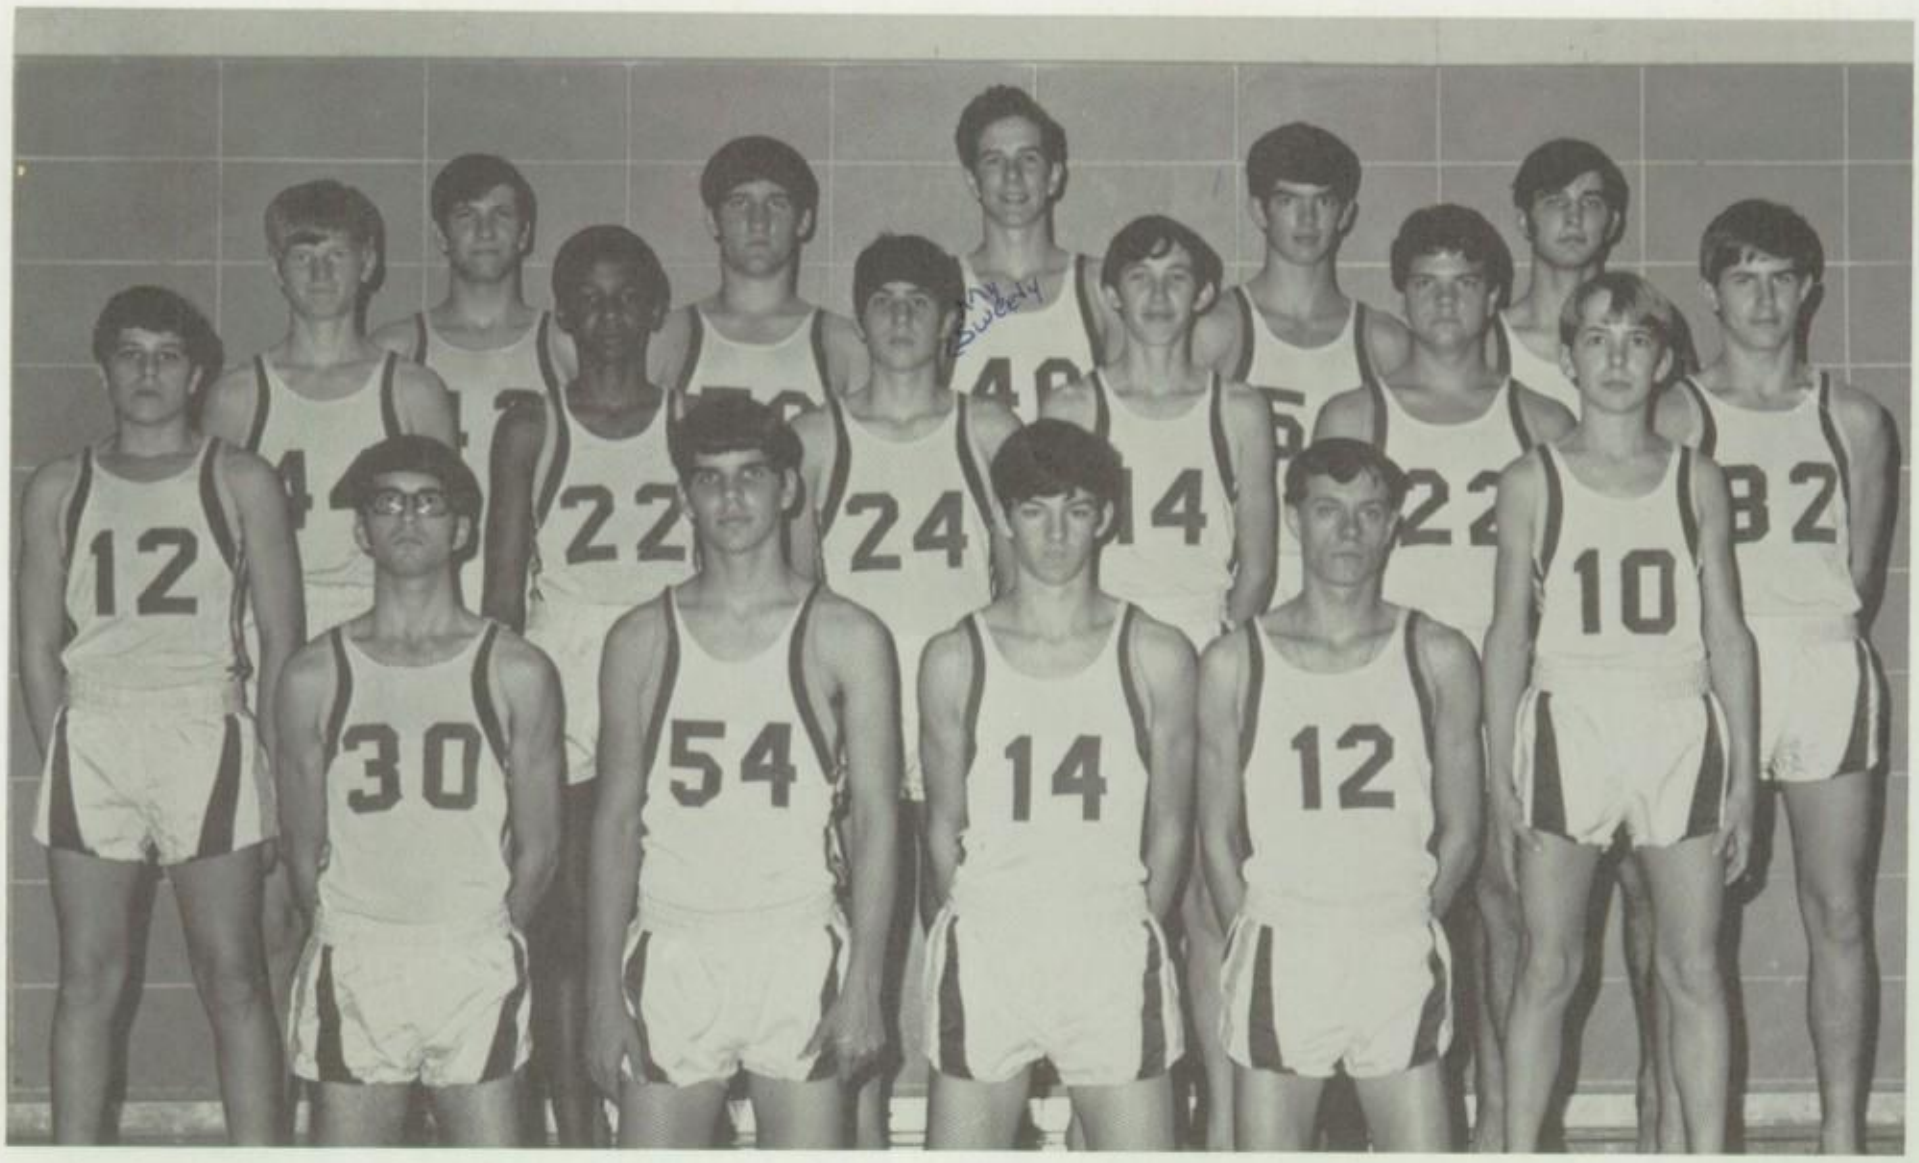
DISTRICT CHAMPS



Playing as the defending state champions is not an easy task. This year's team had its hands full of keeping up the tradition of winning basketball at Pine Tree. However, the record speaks for itself at 21-8, with 4 of the losses coming to teams participating in post season play at the state tournament. Many fans will not forget the breathtaking overtime of the Atlanta game, or the heart-breaking loss to Crosby in the last seconds of the bi-district play-off game. The winning tradition by this team will be long remembered in PIRATE history.





Members of the Junior Varsity District Champions are: David Borens, Wayne Trammel, David Neuhaus, Dwayne Brown. 2nd: Allen Goodman, Ronald Gentry, Bob Wheley, Mark Hughes, Hal Brazier, Gary Page, Cy Boyd. 3rd: Mike Newlin, Bert Wingrove, Jimmy Butler, James Phillips, John Sneed.

JORS'74

Through twelve years of hard work the seniors of 1974 have acquired many characteristics. By looking at my fellow classmates I realized that they are loyal, ingenious, spirited, determined, respected, scholarly, talented, artistic, comical, industrious, and the Greatest!

Dave,
I have enjoyed having you in English. You are a real cool guy. I hope you get everything you want out of life. Hope to see you this summer and next year. Good luck in the future.

Love,
Brenda

Every year of high school is a very special one. Hopefully, the Buccaneer will help recapture the memories of 1973-1974.

I would like to thank each member of the staff who gave of his time to help edit the Buccaneer. I appreciate the art students who willingly gave of their talent to do the artwork. Also, the cooperation of the faculty and students helped in the making of this annual. My special thanks go to Mrs. Berry and Mr. Dowell who were great sponsors and even better friends.

Dave,
I feel privileged to be the first to sign your book. We've had alot of laughs in Chemistry this year & we even got to be better friends. Good Luck in the future.
From one senior to another,
Bertha Stone
Sr. '74
Don't forget about our 10 yr. reunion, now!

Dave,
The year is finally over. Can you belive we are finally out. So bad we didn't have any classes together. I hope you have a good summere, I am. Maybe I'll see ya around.
Be good.
Sr. 74
Lee Ann

Dave,
For me it is hard to believe that the year is almost over but for you I guess that it has been long enough. I wish that I was a senior this year so that I could get out of here. I hope that you do get to go to Denver to see John Denver and get to go to Alaska to work. I hope everything works out for you in the future. Good luck!
Jackie Sharp.

Good luck Dave

Dave!

David,
You are
a really sweet
person a little
crazy but sweet.
Best of luck in life &
everything you do.
God Bless
Keep,
Shula

Dave,

It's really been
a blast in 3rd hour

I loved your dirty

Bronson,
Well, you must be glad this year is almost over. Before long, Mrs. Conways words, "Dave, get to work!" will be only a pleasant memory.
Anyway, when you get out into the mad world outside Pine Tree High School, stay cool and don't go mad yourself.
Thanks for being my friend all these years.
See ya 'round.
Make God number one and you'll do okay.

Sincerely,
Sr. '84 Carola G.

David,
It's been fun in Algebra. Try to control yourself in the future. I know how it is.

Bubbles
Cook

David,
You've got a hell of a lot going for you. How really a fantastic writer and imaginative. Keep it up. You're a funny sweet person I really enjoyed in English. You've got a good head and it really impressed me. Be happy & careful in your decisions.

Love, my friendship,
Jana Hills

GEOMETRY IS BORING!

David,
It's been a BLAST knowing you this year, even if you did embarrass me a few times. Now, though, I'm used to being embarrassed. Good luck in the future & may God bless.

LOVE,
Pat
Dodson

P.S. WATCH THOSE ELBOWS!

174 Dr. Doug Dow

Well Pat,
The year is almost
over and we have been
good friends for about
five years now. This will
seperate us for a while in body
but not in mind. One day, we will
be eternally together.

Friends on earth and
Brothers in Christ,
Dale Ruffin

Lots of luck in the future. It's really been fun this year. Hope the rest ay ever better.

Dear Faulkman

Dave,

Well, with all the fun and all the kidding around, this year was a really great experience! It's just too bad that you're a Senior and all, because I wanted to really get to know you guys - but now everyone and you are graduating. Boo Hoo.

Seeing as you only live down the street a stretch, don't ever let anyone stop you from coming over if you'd like someone to talk to. I listen quite well.

I'm not really as nutty as I may appear at times - although

Dave,
Well at last we are nearly out. Its really unbelievable isn't it. Its kinda makes ya scared doesn't it. At least it does me. It has really been fun in art. I hope you have the best of luck in the future.
Love ya,
Vicki Wilder

Dave,
you are bound to be the funniest person I have ever met. It's been a real pleasure knowing you. I couldn't have made it through a few days without you're goofy grin. Stay sweet and have a lot of luck out in the cold cruel world.
Love
Mari

I come quite close to it at times! I'm a perfect example of a sophomore, and I hope to "almost" outgrow it. Not all the way, though, because I can't see myself without some nuttiness in me!

Lots of good luck in the future - in whatever you choose to do. I hope we can always call each other friends, 'cause you're a real great friend to have!

Remember me as you move out into life and I'll be tryin' hard to keep from murdering next years' sopho.!!!

Love you,
Karen Killian

Spring Activities of 1974

Pine Tree High School

The staff had first look at the annuals.

Surprise parties (Miss Gibson) and school trips (Tex-Jets to A&M) were a part of those last months.

We were proud to have our band be invited to Corpus Christi as the honor band.

This year of 1974 was an exciting one for Pine Tree High. In order to not omit any of the important events and honors of the Spring season, Pine Tree has for the first time in the school's history, added a supplement to the 1974 *Buccaneer.* Its purpose is to continue the year in pictures and to recapture the memories of 1974.

Prom Night

The Sr. cake was the handiwork of Dennis Bass with the help of Dickey Cotton.

The Sr. sponsors seem to be half-way relaxed for once. Their hard work and concern this year was greatly appreciated.

"What is my date doing over there?" (Gene Spradlin, Nita Tinner, Dave Pitman)

"David, I don't want to dance!" The Sr. drama students presented a variety of skits (David Trigg and Lee Ann Graham).

Time out for a break. (Randy Thomas, Joni Green, Joyce Hill, Jim Huggins)

If that power cuts off one more time . . .

"Brenda, there's something crawling around in my beans!" (Brenda Stroud, Ruth Gilbert, Terry Hallonquist)

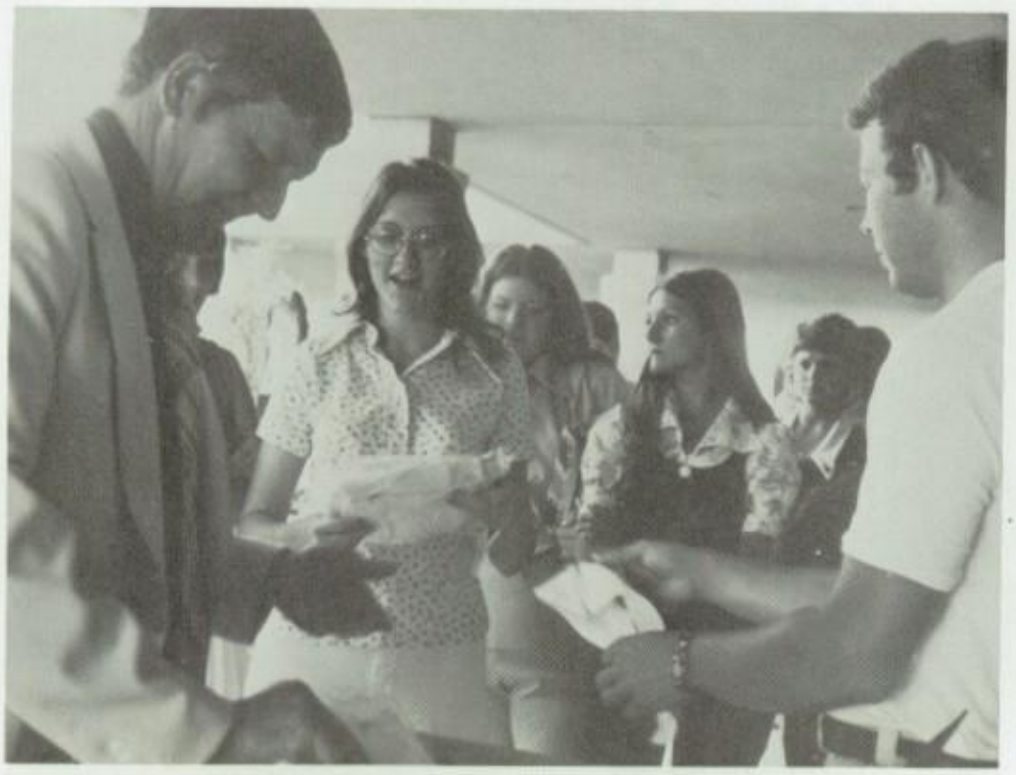
The old South came alive again on April 27th in the P.T. cafeteria. The bell dresses, a gazebo for taking couple pictures, and a fine dinner (even though the dessert never arrived) helped to set the mood for the night. The entertainment was provided by Sarah Woodard and Dale Perkins who sang the class song "We May Never Pass This Way Again," the Sr. drama students, and First State Bank.

"Anyone for more cake?" (Freda Sullivan, Mike Nix)

Do kangaroos dance or hop? (Sheilah Ottmers, Ashley Davies)

Afterwards, the Y.M.C.A.

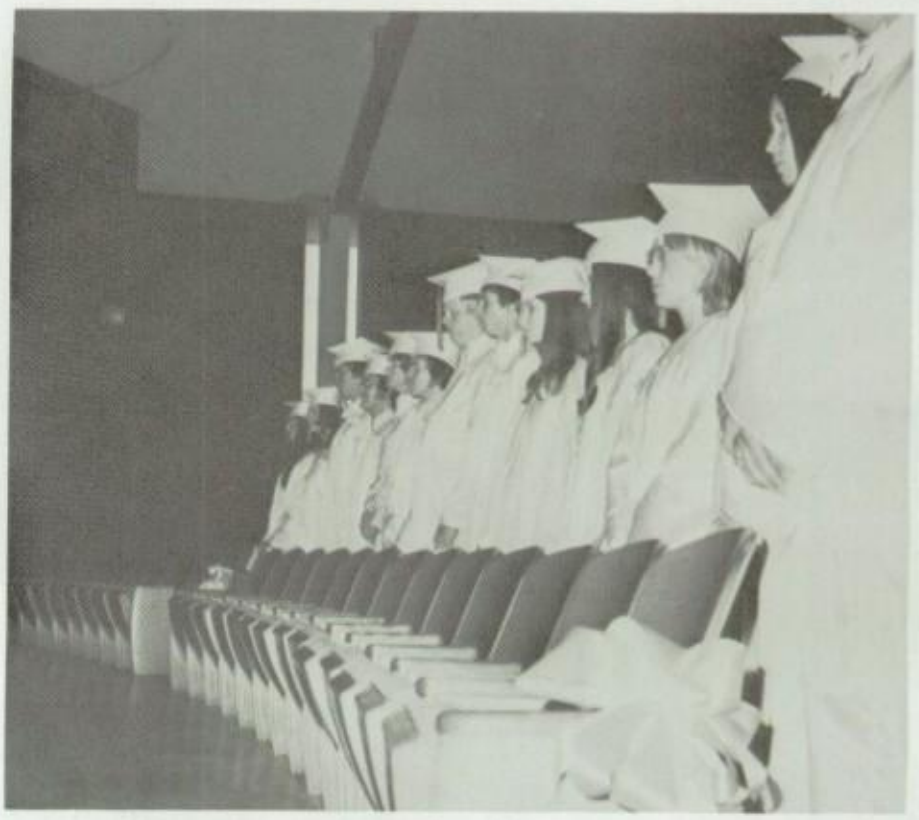
Baccalaureate Service



It all started on May 7 when the Srs. were issued the wrong type gowns and wrong colored tassels.

With a last-minute reordering, Srs. were able to exchange their blue-gold tassles for the originally ordered blue ones at Baccalaureate practice.

Although many people have omitted the Baccalaureate Service, it is still a practiced and meaningful time at Pine Tree. Dr. William Rollins brought the sermon.



Our thanks to the Sr. mothers who gave a Sr. tea following the service.

Senior Party at Holly Lake

Because the original plans for the Sr. party fell through (the Riverboat), alternate plans were made to go to Holly Lake near Dallas. It was on a hot Thursday, May 23rd, right after graduation practice, when the Srs. and their dates headed for the lake.

Graduation at Pine Tree High School
May 24, 1974

Kim wasn't the only one anxious to get that real diploma instead of the miniature one given at practice.

This was the big night — the twelve year awaited for night of the 1974 graduating class. Line-up time was 7:15 with the service beginning at 8:00. The program went as planned before a capacity crowd in the P.T. gym. The salutatory and valedictory addresses were given followed by the singing of the class song. Special awards and the diplomas were then presented. The service was concluded with the Senior class singing the school song and changing their tassels from the right to the left side of their caps. Following the benediction, the class filed out of the gym with mixed emotions. There were shouts of joy, tears from the sentimental, and a feeling of closeness between friends.

Srs. were told to "keep those lines straight."

Long practice for the real thing. (Tracy Ackley and Mark Brookshire)

"Matt, believe me, your cap IS on straight — it's your head that's off balance!" (Matt Idom, Richard Banks)

Everyone needs help sometime. (Teresa Mabry, Sharon Bolton)

For your Alma Mater Dear.
Pirates fight for old Pine Tree High,
For Victory is near.
To old Pine Tree we'll be loyal
